The year is 1999.

Television is cashing in on the blood lust of its viewers. Violence dominates the screen.

Topping the ratings are the TV game shows that offer the ultimate in prizes: your life! Winning and losing has become "destroyed or be destroyed."

One show stands as the toughest, most spectacular, most dangerous, and most rewarding contest of all: SMASH TV.

Alone, or in a pair, powerfully armed contestants are sent into a closed arena. There, before a live studio audience and devoted TV viewers from around the globe, they battle opponents-human, humanoid, and inhuman - and search out the cash and prizes that will make them...  
SMASH TV  
Grand Champions.

Ready for prime time?

The future is now.

You are the next lucky contestant.

## I NEED MORE FIRE-POWER

Sophisticated weapons and vital power-ups are available in every room of the contest. Your basic weapon, the machine gun, will obliterate your lesser opponents. However, final victory in any round demands that you use everything you can pick up!

When the symbol for a weapon or power-up appears, it can easily be picked up by moving over it.

Only one weapon type can be used at a time, but power-ups, such as increased speed or the mobile forcefield, can be used simultaneously with all the weapons.

**Note:** With each new life, you also get the mobile forcefield. For crowd control, there's no equal!

# YOUR OPPONENTS TONIGHT...

The audience is crying out for more blood and with the forces stacked against you, they'll soon be satisfied...just hope it's not your vital organs they're cheering over!

Opponents whose main strength is in numbers, like gangs wielding baseball bats, laser firing orbs, and exploding tin soldiers, will attack you in any round and at every chance. But each round of the show also features an opponent with unique talents for mangling contestants.

These characters are the stars of the show so they won't give up easily, but find their weak spots and you've got it made. Be relentless in your attack and enjoy watching them crumble.

The Super-Star Opponents are:

### Round 1: MUTOID MAN

Half tank, half mutant, and all deadly. He'd just as soon run you over than look at you with his twin firing laser eyes. Pound him with everything you find and remember, armless isn't harmless.

### Round 2: SCARFACE

If looks could kill, Scarface would be ahead of the game. Not only is he ugly, but get hit and your career in prime time is history.

### Round 3: COBRA HEAD

The cobra is the king of the snakes...and you've got double trouble. These overgrown reptiles have steel scales that will crush you like a bug, and forked tongues that speak with high-tech firepower.

### Round 4: THE GAME SHOW HOST WITH THE MOST

If his big mouth were his only flaw, you'd be OK, but this guy is not just slimy, he's crazy. Still, it's his show...and he'll do anything to keep it that way!

# BIG MONEY... BIG PRIZES... I LOVE IT!

Winning is everything...but winning big is even better. Grab the prizes that appear by moving over them...but watch out, they may be hiding a dangerous land mine.
